Through efforts from Red Cross volunteers and coverage on KRDO's Monday night broadcasts at 6 pm and 10 pm and Tuesday at the noon broadcast, we have raised over \$900.00 to help with hurricane relief efforts on the Gulf Coast.

Donations are still needed to provide continued sheltering and feeding for almost 60,000 displaced residents.

The American Red Cross helps people prevent, prepare for and respond to emergencies. Last year, almost a million volunteers and 35,000 employees helped victims of almost 75,000 disasters; taught lifesaving skills to millions; and helped U.S. service members separated from their families stay connected. Almost 4 million people gave blood through the Red Cross, the largest supplier of blood and blood products in the United States. The American Red Cross is part of the International Red Cross and Red Crescent Movement. An average of 91 cents of every dollar the Red Cross spends is invested in humanitarian services and programs. The Red Cross is not a government agency; it relies on donations of time, money, and blood to do its work. Contributions to the American Red Cross may be sent to American Red Cross Pikes Peak Chapter, 1040 S. 8th Street, Colorado Springs, CO 80906.
