

Becoming an Instructor

Bloodborne Pathogens: Preventing Disease Transmission

1 Register for the New Instructor Training class for \$175. This is a 16-hour course held over two days from 8am – 4pm. The first morning is spent taking the adult, infant & child CPR/AED and first aid skills and written test so it is recommended that you've had these basic courses prior to the Instructor course or come in prior to the first night to pick up the course materials to study. The rest of the first day will cover the Fundamentals of Instructor Training component. The second day is spent on teach-backs and evaluations.

2 Purchase the following self-study instructor materials for Bloodborne Pathogens:

<i>Participant Book</i>	<i>\$2.00</i>
<i>Instructor Manual</i>	<i>\$3.00</i>
<i>BBP:PDT video</i>	<i>Free rental</i>
<i>Self-Study Guide and Instructor Test</i>	<i>Free</i>
TOTAL:	\$5.00

3 At your own pace, orient yourself to the material by reading the Instructor Manual and Participant Book. Complete the Instructor Test and Verification Form that is in your self-study guide.

4 Call (719) 785-2713 to schedule an appointment at which time you will submit the Instructor Test and Verification Form; ask any questions you might have about the material and receive your instructor authorization certification.
